- 5) It was reported that currently there have been over 330 letters from residents sent to West Berkshire Council, with all but one objecting to the Homes England proposal for the Pirbright Site development. The Chair asked that all members of the Steering Group pass on their appreciation for resident involvement through their Working Groups and all other relevant contacts.

6) A.O.B.

It was requested that further consideration to the decontamination aspects of the Pirbright site be considered. It was stated that there is still some documentation on this to be provided by Homes England. RR was actioned to send appropriate correspondence to AS on the matter.

7) Date & time of next meeting – Tuesday 11th September 7pm via Zoom
