

Compton Neighbourhood Development Plan Update, November/ December 2020

After three years of extensive community engagement, co-ordinated by the NDP Steering Group and expert advice provided by chartered planning consultants, public consultation on the Compton Neighbourhood Development Plan is now underway and will end on **Monday, 21st December.**

The Regulation 14 Consultation is a formal and important stage within the neighbourhood planning regulation. Everyone in Compton – residents and businesses - has the opportunity to comment on the full draft plan. Once the consultation period ends any comments received will be reviewed and revisions may be made to the Draft Plan and a final 'Submission Plan' will be prepared, ready for submission to West Berkshire Council so that the NDP can be independently examined before it proceeds to a village referendum.

The Compton NDP Steering Group is inviting your comments on the proposals in the plan.

The Neighbourhood Development Plan, Comments Form and supporting documents can be found on the NDP website. The link is here:

<http://www.comptonndp.org.uk/community/compton-neighbourhood-development-plan-13450/regulation14-consultation/>

If you are unable to access our web page to view the documents please contact Sue Garmonsway - comptonndpsec2@gmail.com.

To make your comments simply complete the comments form, available on the website or the back of the information leaflet delivered to you, and submit it by midnight, December 21, 2020, by:

- email to comptonndpsec2@gmail.com ;
- posting in the collection box in the Compton Village Shop; or
- completing the online comments form on our website at the link given above
