

Compton Neighbourhood Development Plan, July 2018 Update.

Thank you to everyone who completed the NDP questionnaire back in March/April of this year. With over 400 responses which we think this was a terrific result, so a huge thank you to everyone who took part. The results were displayed for the first time at the Compton Fete and we were delighted that many of you came along to see them and to discuss with members of the team. Attendees were able to vote for one of six key topics identified by the analysis they considered most important as well as entering our raffle, dinner for two at the Swan, which was won by Chris Bolt. Many thanks to everyone who attended. The topics and resulting Working groups are:-

- Housing & Development
- Roads & Transport
- Environment, Green Space and Parks (includes Heritage)
- Job Opportunities & Business (including Retail and Light Industry)
- Community & Facilities
- Education & Young People

We would like more villagers to get involved in the working groups to ensure the resulting plan is truly representative. A few people have already registered their interest so If you would like to find out more, please email the Secretary: comptonndpsec@outlook.com or chat to one of the team members. More opportunities to see the results and follow our progress will be published on the Compton NDP website <http://www.comptonndp.org.uk>, via Compilations and on social media.

Compton Neighbourhood Development Plan Steering Group.
